DIRECTORY OF PUBLISHERS

All the Publishers have been invited by post to send us their Telegraphic Addresses and Telephone Numbers. Those sent will be found below between square brackets [], and separated from each other by a semicolon (;).

This list of Publishers, with their Addresses, has been principally compiled with a view to supplying information regarding the books in the 1905 English Catalogue. This will explain the inclusion of many firms in the list who can scarcely, in the strict acceptation of the term, be called Publishers, since the publication of books forms only an occasional portion of their business.

END OF LIST OF AMERICAN PUBLISHERS.

THE ENGLISH CATALOGUE OF BOOKS WITH INDICES

Special offer to the Trade, Librarians and Others.

THE PUBLISHERS' CIRCULAR,

and the CATALOGUES connected with it, having become the property of a NEW COMPANY (embracing in its Directorate the names of some of its original founders nearly seventy years ago), the Directors have decided to make an **exceptional offer** of the present **small stock of Catalogues**. Accordingly they have fixed the price so low that no one interested in the literature of the **Victorian Era** of the past century, no **Bookseller, Publisher, Author, or Librarian** need be without a set so far as they can now be supplied.

The First Volume of the English Catalogue, from 1835 to 1862, and its accompanying Index Volume, are out of print and scarce.

The Second Volume, 1863 to 1871 inclusive, is also out of print and scarce.

The following are the Volumes which are now available:—

Volume II. THE INDEX OF SUBJECTS only. Contains the years 1856 to 1875 inclusive.

N.B.—It contains 1856 to 1873 in one alphabet and 1874 and 1875 in separate alphabets (including 20 years), thus forming a reasonable substitute for part of the *out of print Vol. I.* and the whole of Vol. II. It supplies *Titles* under *Subject*, and *price* and *year*.

			published at	£	s.	d.
Volume III.	Contains 1872 to 1880, nine years			2	2	0
Do.	Index	bound in one vol.	„	2	2	0
Volume IV.	Contains 1881 to 1889			2	12	6
Do.	Index	bound in one vol.	„	1	11	6
*Volume V.	Contains 1890 to 1897, eight years	„	4	4	0
*Volume VI.	Contains 1898 to 1900, three years	„	1	10	0
				£15	0	0

(* These Volumes have no separate Index, as they contain a perfect Index with the alphabet.)

The above seven Volumes, originally published at FIFTEEN POUNDS, can now be had newly bound in half morocco in Five Volumes for SIX POUNDS, or in Sheets for FIVE POUNDS.

If separate Volumes are required, they can be supplied at the following prices:—

Vol. II., sells 42s.,	now offered for 15s.	Vol. IV. and Index, 84s.,	now offered for 40s.
Vol. III. and Index, 60s.,	„ „ 30s.	Vol. V., sells 84s.,	„ „ 40s.
	Vol. VI., sells 30s.,	now offered for 15s.	

It should always be remembered that these Volumes will never become out of date or useless. The total number of them is always diminishing, and when they are all out of print there will no longer be obtainable any complete consecutive Catalogue at all of the English books published during the Victorian Era (1837 to 1900). The Official British Museum Catalogues covering the same period are altogether too costly and cumbersome for ordinary persons or purses.
